

**TULSA COUNTY**

P.Polland From the Byrds-Ballad of Easy Rider LP

Clarence White did some great stringbender licks on this tune. The actual recording is in E but I wrote it in D because that's the key I can sing it in. I'll Tab out the lead when I get a chance...for now I just tabbed out the intro. The leads and fills do somewhat follow the intro somewhat but contain a little more action on the 5th position D sus/D/D6 and seventh position G7/G moves.

All 2nd string bends done with Stringbender  
8b10 means hit 8, pull to 10 with bender....(5) means fret at 5 with bender already engaged..  
(0)r0 meaning engage bender..hit 2nd string open,,,then release the bender as the note chimes
