

## FIRST LEAVES OF AUTUMN

mandolin

**D** **G**  
As the daylight turns to starlight and the seasons start to change

**D** **G** **D**  
I get the same old answers but the question still remains.

**G**  
We shared a brief but magic song

**A** **G** **D**  
By the first leaves of autumn you were gone.

**G** **D**  
Not until the rain has touched your face

**G** **D**  
Not until the first leaves fell from space

**G** **D**  
Not until that moment did I see

**A** **G** **D**  
I never realised what you meant to me.

**G**  
From the days you filled with sunlight to the laughter in your eyes

**D** **G** **D**  
To the making and the breaking of the day you said goodbye

**G**  
We shared a brief but magic song

**A** **G** **D**  
By the first leaves of autumn you were gone.

**G** **D**  
Not until the hearts defence is down

**G** **D**  
Not until you all, come all you, come round

**G** **D**  
Not until that moment did I see,

**A** **G** **D**  
I never realised what you meant to me

**G** **D**  
Not until the rain has touched my face

**G** **D**  
Not until the first leaves fell from space,

**G** **D**  
Not until that moment did I see,

**A** **G** **D**  
I never realised how much you meant to me.
