

OTHER SIDE OF THE WOOD

Capo 2 D Fred Small

C **F** **G** **C**
We met in the quiet of the meadow, we rambled hand in hand through the glade,

F **Dm** **Dm7** **G**
Lay entwined on a pallet, of clover and columbine made

Am **F** **Am** **G**
But now the forest fills with shadows, and the raven and the wolf call your name,

Am **F** **Dm** **Dm7** **G**
And you wonder how you ever came to wander, so deep into this unknown terrain.

Chorus

Am **F** **Am** **G**
So go your way I cannot hold you, nor would I detain you if I could

C **Am** **F** **Dm** **G** **C**
I will wait for you in the clearing, on the other side of the wood

C **F** **G** **C**
How I would speed to your rescue, through the dark wood so wild and overgrown

F **Dm** **Dm7** **G**
But where you go I cannot follow, the staff you hew, must be your own,

Am **F** **Am** **G**
For my comfort would only confine you, and my love would close about you like a shroud

Am **F** **Dm** **Dm7** **G**
All my fears for you would only confound you, all my tears for myself would drag you down

Chorus

G **C** **G** **F** **C**
I know the wind will tell you stories, and every tale come to a bloody end,

G **Am** **Dm** **Dm7** **G** **G7**
Somewhere in that dread parade, is the possibility, is it possible, I am your friend ?

C **F** **G** **G7** **C**
To walk with a companion is a blessing, to forfeit one's freedom is a curse,

C **F** **Dm** **Dm7** **G**
To open a hearts wounds is agony, to bind them tight is even worse,

Am **F** **Am** **G**
Where e'er the light before you leads you, and whether you find me or no,

Am **F** **Dm** **Dm7** **G**
My love will travel softly at your shoulder, and abide with you wherever you may go.

Am **F** **Am** **G**
So go your way I cannot hold you, nor would I detain you if I could,

C **Am** **F** **Dm** **G** **C**
I will wait for you in the clearing, on the other side of the wood,

G **C**
The other side of the wood
