

I RECALL A GYPSY WOMAN

Don Williams

D G D A
Silver coins that jingle jangle, fancy shoes that dance in time
D G D A D
All the secrets of her dark eyes, they did sing the gypsy rhyme
G D A
Yellow clover, entangled blossoms, in a meadow silky green
D G D A D
There she held me to her bosom, just a boy of seventeen

CHORUS

G D A
I recall a gypsy woman, silver spangles in her eyes
D G D A D
Ivory skin against the moonlight and the taste of loves sweet wine

D G D A
Soft breezes blow through fragrant meadows, stir the darkness in my mind
D G D A D
Oh gentle woman, you sleep beside me and little know who haunts my mind
G D A
Oh gypsy lady I hear your laughter and your voice is in my head
D G D A D
While my tender wife and baby slumber softly in their bed

CHORUS TWICE..... last line twice
