

I USED TO LOVE HER ONCE

G **C**
You can tell her I don't love her she can make her own way home
G
And even if she asked me now I'd let her walk alone
C
I used to see her up the chapel when she went to Sunday Mass
G **D**
When she went up to receive I'd kneel down to watch her pass, the glory of her ass

Chorus

G **C**
I used to love her I used to love her once, long long time ago
G **C**
I used to love her ,I used to love her once, long long time ago
F Bb C F Bb C
Its gone, all my loving is gone oh oh oh oh, Its gone ,all my loving is gone

G **C**
Do you remember her collecting for Concern on Christmas Eve
G
She was on a forty eight hour fast, just water and black tea
C
So I went straight up and made an ostentatious contribution
G **D**
And I winked at her to tell her I'd seduce her in the future, When she' feeling looser

Chorus G C, G C, F Bb C, F Bb C

G **C**
So now you know the truth of it she's no longer my obsession
G
And all the thoughts and dreams I had of her would take six months in confession
C
I met this young one Thursday night and she's into free expression
C **D**
Her aim in life is to rid the world of this sinful repression, Then we had a session

Chorus

G **C**
I used to love her I used to love her once, long long time ago
G **C**
I used to love her I used to love her once, long long time ago
F Bb C
Its gone, all my loving is gone, oh oh oh oh,
