

LEAVING NANCY

Furies

G **Em** **Am** **C** **D** **D7**
In comes the train and the whole platform shakes, It stops with a shudder and
C **G**
screaming of brakes

Em **Am** **C** **D** **D7** **G**
The parting has come and my weary soul aches, I'm leaving my Nancy-O
Chorus

G **Em** **C** **Am** **D** **D7** **G**
And come a little closer, put your head upon my shoulder,
Em **C** **Am** **D** **D7** **G**
And let me hold you one more time before the whistle blows.

G **Em** **Am** **C** **D** **D7**
But you stand there so calmly determinedly gay, And you talk of the weather and
C **G**
events of the day

G **Em** **Am** **C** **D** **D7** **G**
But your eyes tell me all that your tongue doesn't say,.....Goodbye my Nancy-o
Chorus.....G Em C Am, D D7 G etc

G **Em** **Am** **C** **D** **D7** **C** **G**
My suitcase is lifted and stowed on the train, And a thousand regrets whirl in my brain.
Em **Am** **C** **D** **D7** **G**

And the ache in my heart is a black sea of pain,I'm leaving my Nancy-O
Chorus..... And come a little closer, put your head upon my shoulder etc

G **Em** **Am** **C** **D** **D7**
And you stand there so calmly so lovely to see But the grip of your hand is
C **G**
an unspoken plea

G **Em** **Am** **C** **D** **D7** **G**
You're not fooling yourself and you're not fooling me, Goodbye my Nancy-o
Chorus.....

G **Em** **Am** **C** **D** **D7**
For our time has run out and the whistle has blown, And here I must leave you
C **G**
standing alone

G **Em** **Am** **C** **D** **D7** **G**
We have so little time and now the time's gone,Goodbye my Nancy-o
Chorus.....

G **Em** **Am** **c** **D** **D7** **C** **G**
And as the train starts gently to roll, And as I lean out to wave and to call
G **Em** **Am** **G** **D** **D7** **G**

I see your first tears trickle and fall,Goodbye my Nancy -o
Chorus twice....end
