

THE FERRYMAN

C G D G

G C G
Oh the little boats are gone from the breast of Anna Liffey,
C D
The ferrymen are stranded on the quay
G C G
Sure the Dublin docks are dying and a way of life is gone,
D D7 G
And Molly it was part of you and me.

Chorus

D D7 C G
Where the strawberry beds sweep down to the Liffey
C D
You kiss away the worries from my brow,
G C G
I love you well today and I'll love you more tomorrow,
D D7 G
If you ever loved me Molly, love me now.

G C G
Twas the only job I knew, it was hard but never lonely,
C D
The Liffey ferry made a man of me,
G C G
Now it's gone without a whisper, half forgotten even now,
D D7 G
And it's over Molly, over, can't you see

Chorus

G C G
Now I'll tend the yard and I'll spend my days in talkin,
C D
And I'll hear them whisper.....'Charlie's on the dole'
G C G
But Molly we're still living, and Darling we're still young
D D7 G
And the River never owned me heart and soul.

Chorus.... twice...end.
